

"Beyond the Horizon"

As many of you are aware, our International President Guðrún Bjort Yngvadóttir has honored California in choosing the community Ojai as the location of her first International Board of Directors Meeting. This meeting will take place at the Ojai Valley Inn with an extension to Long Beach where the Board Members and spouses will have an opportunity to visit our Rose Float Barn and the City of Hope, take part in a Kids Sight screening, and attend a Special Olympics Baseball Tournament.

Every Lion in California is offered the opportunity to enjoy a dinner with Board Members and their spouses. This dinner will be limited to the first 100 people who reserve their seat by sending in the form below.

This is a unique opportunity to share a meal with the entire Board of Directors and Executive Officers of our Association as everyone will be seated at a table with at least one of these Officers or Directors in a very casual outdoor setting.

So, please let me know of your interest (lionhrhudson@gmail.com) and send in your reservation as soon as possible since seating is limited.
