

JUDGING RESPONSIBILITIES

You have been selected to act as a judge in the Lions' Student Speaker Contest. In order to assist you, we offer the following guidelines:

I. Specific Procedures

- This Judge's Worksheet shall be used.
- The judges must sign the worksheet before giving it to the teller.
- Judges should not sit together and must not confer with anyone during or after the contestants' speeches before submitting their reports to the tellers.
- This applies to all contestants.

II. Score Analysis

The Lions' student speakers committee, working in close cooperation with the teachers of the speech within the participating high schools, have developed a standard of evaluation, which includes the many points that should be developed in both preparation and delivery of such a speech. These points should include:

- (1) The text alone (thought content)
- (2) Delivery alone
- (3) Effectiveness of the speech as a whole.

These three categories are then developed, with specific area weighted in points, in relation to their part of the entire speech.

III. Scoring Procedure

In order that all judges may arrive at a common standard of judging, we suggest the following:

- (1) In an area that has a 10 point possible score, it is suggested that 6 be considered as average and the student graded up or down from that point.
- (2) Do not give two speakers the same total score.

IV. Grading

- All scoring by the judges should be in whole numbers, not fractions.
- No penalty shall be attached in the event the competitor does not address the chair or give the topic title.
- Contestants may use notes in all contests, but above club level, such notes are restricted to one card not to exceed 3 x 5 inches in size; braille equivalent – "8 ½ x 11 inches".
- The judges must score all contestants. The chairperson will impose any disqualification. The use of a microphone and speaker's stand is optional.

V. Purpose of the Contest

The contest provides an opportunity for competitive public speaking among students, who reside in the Multiple District Four, on a subject of vital interest to the contestants and to the American people as a whole - to stimulate self-expression and independent thinking - to present to the public through the contest, some of the problems surrounding the maintenance of this country as a free nation - to consider the means at our disposal of meeting the present and future world problems.
